Chairman's Report

I HOPE THIS REPORT FINDS YOU AND YOUR LOVED ONES WELL DURING THESE EXTRAORDINARY TIMES.

It's fair to say the 2019–20 season was like no other ever seen before in our 156-year history. I understand not even in war times has a Grade or Premier Cricket season been abandoned; a reasonable sign of the enormous difficulty and uncertainty experienced by us all this year.

On this it is worth acknowledging and thanking the many people who have helped us navigate the substantial uncertainty and change. Firstly to SUSF who have been fantastic in the way they have communicated and worked to support SUCC throughout the turbulence, despite their own significant uncertainty and challenges. Secondly to Cricket NSW and the SCA who have made tough, unpopular and in my opinion very good decisions during extreme uncertainty and lots of opinion. They should all be commended for their management of the crisis. Lastly to our General Manager **Colin Robertson** who has been nothing short of brilliant throughout the enormous chaos.

That said, despite the challenges that COVID-19 presented and continues to present, it's important that we don't lose sight of the great season that 2019–20 was. From both a playing perspective, and in terms of the club's off-field performance we had a fantastic year, and one that we should celebrate.

Our on-field success

The on-field momentum this season continued. From a silverware and team result perspective, whilst an unusual finish, we had a great year including these impressive achievements:

- First grade - Runners up in the Belvedere Cup.
- First grade - Champions in the Limited-Overs competition.
- Third grade - Both Premiers and Minor Premiers.
- Fourth grade - Both Premiers and Minor Premiers.

The list of achievement continues, with many great individual accolades including:

- Our leadership remains stellar with **Liam Robertson** (First Grade) and **Henry Clark** (Third Grade) ranking first by the umpires, along with **Max Hope** (Second Grade) and **Andrew Wilkinson** (Fifth Grade) being coming second and third respectively.
- **Liam Robertson** and **Dugald Holloway** were both selected in the First Grade team of the season.

- **Hayden Kerr** managed to debut both for The Sydney Sixers and NSW Blues.
- **Hayden Kerr** winning the Bill O'Reilly Medal.

My thanks and congratulations to not only the players involved in these achievements, but the enormous support from players, coaches and supporters. All of these are team results in the end, and all should be congratulated.

Another important success story from the season has been again the fantastic leadership from our captains. The results speak for themselves, but the player feedback clearly highlighted the quality of leadership at the club. My personal view is that the captains have a very significant impact on our ongoing playing performance, and their hard work is often overlooked. So to **Liam Robertson** (First Grade), **Max Hope** (Second Grade), **Henry Clark** (Third Grade), **Ash Cowan** (Fourth Grade), **Andrew Wilkinson** (Fifth Grade), **Greg Cade** (Metropolitan Cup), **Ryan McElduff** (Poidevin-Gray) and **Willoughby Watson** (Green Shield) my sincere thanks for all of your efforts.

Coaching also continues to be a big focus and enormous asset for the club. You can't have high quality expectations without a strong group of dedicated coaches who are obsessed with player development. To **Cam Borgas**, and his team of **Tim Ley** (First Grade and Poidevin-Gray), **Grant Lambert** (Specialist), **Chris Blake** (Fielding), **David Alleyne** (All round) along with **Henry Clark** and **Ryan Danne** looking after AW Green Shield, my sincere thanks for your efforts. In reviewing the player feedback, it was clear how well respected our coaching is, and your efforts are greatly appreciated.

Significant off field momentum

This year was always going to be a significant challenge off the park. Our newly appointed General Manager Colin Robertson took the reins only as the season commenced and had a lot to get up to speed on to ensure smooth running of the club. Pleasingly the results were immediate, with Colin quickly building on the great work done in previous years. He was able to combine his business skill and love of both the game and our club to achieve some great progress on all fronts. We are very lucky for his expertise and dedication, and on behalf of the club I wanted to thank Colin for a great job this year. We are in great hands.

From a sponsor perspective we again managed to recruit the cream of the crop. My thanks go out to the amazing supporters of our Club including FDC Construction, Henry William Lawyers,

Firetrail Investments, Surjit's Indian Restaurant, Sports Clinic, ISC and The Toxteth. Your support is very much appreciated, and our success in recent years is in a very big way due to your support.

We had a number of crucial contributors who were "just" off the field. Some notable mentions:

- **Phil Logan** who again did a stellar job as Chairman of Selectors. It is often a thankless task, but Logs is very dedicated to the selections and does a great job.
- **John Kilford, Russell Cowell, Jon Cant, Samir Doshi** and **Alex Clark** represented us brilliantly from a scoring perspective, with John also looking after the all-important net co-ordination at training.
- **Anand Karupiah** brought enormous energy to the AW Green Shield management that has been commented on and appreciated by all involved. Thank you Anand. **Mandy Johns** once again ran the canteen over the Green Shield season and her contribution is as always very much appreciated.

The year has been incredibly productive from our Board's perspective, with an energy and enthusiasm that is only growing our momentum. To our President Bruce Collins and fellow Board members **Liam Robertson, Ben Joy, Tom Kierath, Greg Mail, Josh Toyer, Hayden Kerr, Tom Fullerton, Hartley Anderson, David Miller, Phil Logan** and **Mark Faraday**, my sincere thanks for your enormous and ongoing contribution to the club. We made great progress this year and, pending AGM elections, I look forward to working with you to keep this momentum going. I should note that both Mark Faraday and Greg Mail stepped down from the board this year, with Mark Faraday taking a Director's role with SUSF, and Greg Mail the role of Director of Cricket at CNSW. We wish both of Greg and Mark enormous success in these roles and thank them for their ongoing support of SUCC.

Also, I wish to thank our Club Patron **Alan Crompton**. Alan has presided in the role since 2003 and has recently expressed a desire to stand down from the role. I reluctantly accept this request but thank him for his enormous contribution to our great club for a period of over 60 years.

From a financial management perspective, the club continues to improve its financial capability and balance sheet. As discussed in previous forums, a big focus for the Board is to strengthen our outlook by securing additional playing facilities and the right Cricket infrastructure. To do this, it was identified that we needed to strengthen the club balance sheet to best be able to drive this agenda in key areas through co-

investment. To this objective, the club finishes the 2019–20 season with a healthy cash position of \$103, the highest in our history. This great result provides us with a platform to make significant headway in dealing with some of the big infrastructure challenges facing us in current times.

During these financially uncertain times, this surplus provides us with some measure of comfort. We have elected to isolate half of the funds as a buffer against potential unforeseen ongoing financial impact from COVID-19. That said, we are not resting on our laurels, and we are close to being able to announce our first investment initiative in conjunction with SUSF. This is following ten years of player and supporter feedback, and as many years negotiating with many stakeholders. We are excited by the prospect of announcing this project as soon as the details are confirmed. Our hope is that this project will signal the launch of a wider fundraising and investment initiative. Details to follow, but we are enthused to see some emerging momentum on this important club initiative. This has been made possible by many years of hard work, generosity and support from the SUCC community.

I also wanted to report on the most important and valuable part of SUCC; our culture. One of performance, fairness and winning the right way. I am glad to report that this year we again prospered on this theme by coming third in the all-important Spirit of Cricket Award. I have always considered this to be one of the best indicators for how we are going as a club from a culture perspective. A culture of playing the game in the correct way, that has been passed down over 150 years is extremely valuable, and in many ways our one of our most important assets. From this perspective, we continue to thrive, and my thanks goes to all previous and current players for their enormous contribution to this core pillar to our substantial momentum.

Lastly, we appreciate the enormous support of our community. Be it parents, friends, former players or sponsors. Seeing you at the games or functions is a great joy to the playing group. Your ongoing support is a big driver in our success on and off the field, and for your efforts we are very thankful.

I am excited to write this as the starting date of the 2020–21 season is becoming a little clearer. Wishing all the players good luck in making our 157th season even better than the last.

Sincerely,

Adam Theobald

Vice President (Finance) Report

PLEASE FIND ENCLOSED FINANCIAL REPORTS FOR SYDNEY UNIVERSITY CRICKET CLUB'S (SUCC) 2020 ANNUAL REPORT. IN THE 12 MONTHS TO 31 MAY 2020 THE CLUB RECEIVED REVENUE OF \$306,915 (DOWN FROM \$342,737 IN THE 2018/19 YEAR) AND INCURRED EXPENSES OF \$252,033, LEAVING A SURPLUS FOR THE YEAR OF \$54,882.

The comparative result for 2018/19 was a surplus of \$19,663. The club continues to be in a surplus position at the end of 2019/20 with a total consolidated surplus of \$101,439, in line with the \$100,000 balance NSW cricket recommends clubs holding.

As a board we are committed towards strengthening our financial position, as we look to invest in the growth of the cricket club both on and off the field. We are approaching a period of significant risk, with an uncertain outlook with respect to funding in the future, which is why maintaining a surplus within the club is crucial to ensure we can maintain the high standard of coaching and management the club enjoys.

The University of Sydney continues supporting the student activities, especially the sporting clubs. The Club wishes to thank the University for this, as well as all our other club sponsors.

Congratulations to all members and supporters for another successful season, albeit with a strange conclusion, and we look forward to many more to come.

General Manager's Report

THE 2019/20 SEASON IS ONE WHICH WILL BE ESPECIALLY REMEMBERED FOR REASONS NOT ONLY RELATING TO THE NORMAL CRICKET PERFORMANCES AND CLUB OPERATIONS BUT ALSO TO EXTREMITIES IN THE WEATHER AND LATTERLY THE COVID-19 PANDEMIC. THE CLUB WAS POSITIONED STRONGLY FOR PREMIERSHIPS IN FIRST, THIRD AND FOURTH GRADES, HAVING ALL QUALIFIED FOR HOME QUARTER FINALS. THREES AND FOURS DESERVEDLY WON THEIR RESPECTIVE MINOR PREMIERSHIPS WITH CONSISTENTLY STRONG ALL ROUND PERFORMANCES THROUGHOUT THE SEASON. OUR FIRST GRADERS DISPOSED OF THE LOSING FINALISTS TAG BY SECURING THE LIMITED OVERS CUP IN A TOUGH TUSSLE WITH NEIGHBOURS RANDWICK PETERSHAM.

The season was always going to be a testing period for the club, firstly with the departure of Dale Bryant my predecessor and the retirement of numerous experienced stalwarts of the playing group.

Dale leaves a legacy of administration excellence which I thankfully can utilize to smooth the transition into my new role. I have over many years been a close supporter of Sydney University Cricket Club and now realize the work that Dale had been leading behind the scenes to ensure the success of the club in all aspects. I wish Dale all the very best in his new position with Cricket New South Wales. Our loss is their gain. Thank you for all your dedication during your time with our club.

The playing group said farewell to Tom Kierath, a magnificent servant of the club. His determination, competitiveness, leadership and all round cricketing abilities are a resource extremely difficult if not impossible to replace. Tim Ley also called a closure on his stellar career with SUCC at the end of 2018/19 season. During his time with the club he has spearheaded the attack from the front and lifted the team in tough times. His departure along with second grade skipper James Larkin, Steve (runs in the sun Hobbo) Hobson, together with other club members, created opportunities for younger players to seize. These rebuilding phases in any club determine

the depth and strength of the organization. Sydney University CC has certainly experienced this in 2019/20 and will benefit from tough seasons in a few of our grades to emerge stronger having learnt from this.

My thanks must go firstly to Adam Theobald, Bruce Collins and the entire board for the manner in which I was welcomed into the team. Adam's direction and foresight is a privilege to work with and I have learnt a tremendous amount from him and will continue to do so. Hartley Anderson and Phil Logan have been quiet experienced advisors, always prepared to discuss strategies and planning from their position of having been there and done that on numerous previous occasions. I thank you both. To Ben Joy, Dave Miller, Josh Toyer and Liam Robertson (mid-tier) specialists, your knowledge and modern perspective on the club's operation and finances has been a huge help. Your involvement on the board along with Tom Kierath, augurs well for the club's administration in the future. Ed Arnott must be thanked for his work during the absence of a General Manager at the busiest time of the season and for the introductions to the systems and other club administrators in our offices.

Cameron Borgas, Tim Ley and their coaching team have handled the training and on field aspect with the utmost professionalism expected of this great club. I thank Cameron for his advice and support throughout the season, especially during my baptism of fire initial few months. It was a great feeling to know I was surrounded by experienced individuals when required. Grant Lambert has added the extra professionalism as always. Chris Blake, Dave Alleyne and our Green Shield coaches, Henry Clark and Ryan Danne, complimented an impressive coaching team.

The Sydney University Club Captain's role was awarded to Tom Fullerton. I first met Tom in September at the season launch and it very quickly became apparent to me that Tom's personality exuded the quiet confidence of a young passionate, reliable clubman, with the integrity befitting the position of a club leader. I am indebted to Tom for his assistance throughout the season especially with our weekly website posts and player driven events. He made a significant contribution to the success of the Trivia evening. It is a pleasure to announce that he has accepted a second term as Club Captain. I look forward to building on our working relationship for the success of the club.

To all our team captains, Liam Robertson, Max Hope, Henry Clark, Ash Cowan, Andrew Wilkinson and Greg Cade your weekly communication and time spent making sure the playing group are all well advised and informed is greatly appreciated. Weekly selection meetings, myCricket duties and captain's reports are additional tasks that you take on over and above your on field leadership. Congratulations must also be given to Liam Robertson and Henry Clark for being selected as their respective grade captains of the year. Max Hope and Andrew Wilkinson also ranked highly in the awards for second and fifth grades highlighting the wealth of leadership skills within the club. Thanks must also be given to Phil Logan for his calm knowledgeable advice given in selection deliberations, a role that is extremely important in assisting the captains. Successful clubs revolve around team leaders and we at SUCC are very fortunate to have an abundance of quality in this department.

2019/20 witnessed the first of SUCC's Indigenous Academy training sessions that coincided with Cricket Australia's reconciliation round. Behind the scenes work done by a passionate group of volunteers, led by Tim Croft, Phil Logan, John Grimbale and the indigenous community has been very much appreciated and the foundations have been laid to develop this extremely worthwhile project.

John Kilford once again has been a pleasure to work with and his professionalism over and above his first grade scoring is irreplaceable. He continues to offer invaluable support to Russell Cowell our second grade scorer who we also thank for his efforts during the season. Russell is always keen to learn and his communication during the season is appreciated.

Whilst our Green Shield on field season was extremely disappointing, a huge thanks must always go to the people behind the scenes that make it all happen. Anand Karrupiah (Manager) and organization, Mandy Johns for her work in the canteen and general support, Samir Doshi for his scoring duties along with all the parents of our players.

Special mention must be made of our behind the scenes stats guru, Max Bonnell. His weekly contributions to the website and this annual report are invaluable and keep the SUCC community fully up to date with all the milestones and achievements. An enormous thankyou Max.

James Rodgers as always continues his contribution to the Club through his historical insights, combined with his assistance in the annual report and his mandatory visits to SUCC matches across the grades. You are a legend James.

Disappointments during the season were firstly the Great Debate having to be postponed and secondly the Annual SUCC Golf Challenge. I must convey my appreciation to Liam Robertson in particular, for the enormous amount of work he had dedicated to the planning of the golf event that was going witness a full field at St. Michaels Golf Course. Unfortunately, the Covid-19 pandemic took control seven weeks prior to the event and all golf courses closed their doors to corporate days three weeks out from tee off. Our thanks must also go to our Chairman Adam Theobald for securing the major sponsorship of "Horwood Nolan Real Estate". We look forward to working with all the partners that had committed to the Challenge when the situation returns to normal.

SUCC would not be able to operate without the massive contribution from our major sponsor FDC Construction and Fitout, together with Henry Williams Lawyers, Firetrail Investments, The Toxteth Hotel, Surjit's Indian Restaurant, ISC Teamwear and the Sports Clinic. Our sincere thanks goes out to you all.

At the end of 2019, SUSF said farewell to Rob Smithies after a stellar career with the organisation. On behalf of all the Board, players and supporters of SUCC we thank Rob for his efforts and support over the years and wish him all the very best in the future. We look forward to working closely with Interim CEO Ed Smith, together with Tristan Liles, Daryl Davidson and all the staff at SUSF. We fully understand how much you do for us and are extremely appreciative.

We all look forward to an uninterrupted successful 2020/21 season for the Club.

Colin Robertson
GENERAL MANAGER

Director of Cricket Report

2019-20 WAS ANOTHER VERY SUCCESSFUL SEASON FOR THE SYDNEY UNIVERSITY CRICKET CLUB, HIGHLIGHTED BY OUTSTANDING INDIVIDUAL PROGRESS THROUGHOUT OUR PLAYING GROUP AND THE ADDITION OF A FURTHER FOUR PREMIERSHIPS TO OUR COLLECTION. UNFORTUNATELY, THE SEASON WAS BROUGHT TO A SUDDEN END IN THE MOST UNPRECEDENTED CIRCUMSTANCES, WITH THE EFFECTS OF THE COVID-19 GLOBAL PANDEMIC LEADING TO A CANCELLATION OF ALL FINALS AT THE CONCLUSION OF THE MINOR ROUND AS SYDNEY BRACED TO ENTER A COMPLETE LOCKDOWN.

A Club Championship winning 2018-19 season was followed by a relatively significant turn-over of senior personnel, with ten players who had played 1st or 2nd Grade not continuing in 2019-20. Long term injuries to Joe Kershaw and Devlin Malone further stretched our depth during the season, but this also presented opportunity.

It was extremely pleasing to see an incredible 32 players progress up the grades across the season, to all achieve a new personal best level of cricket. This was highlighted by Hayden Kerr earning selection for both NSW and the Sydney Sixers, and Kieran Tate, William Masojada and Charlie Dummer all making their 1st Grade debuts for the club.

To provide some context, I have tracked this data point for the past four seasons and the number of personal bests recorded this season is almost 50% higher than any previous year, and clearly demonstrates opportunity exists to progress your cricket up the grades at Sydney University Cricket Club.

Premierships in 1st Grade (Limited-Overs Cup), 3rd Grade, 4th Grade and at University Nationals also indicate that the opportunities presented were largely taken with both hands, and that this internal progress of talent was well deserved and did not compromise our success.

The 3rd Grade were particularly dominant and thoroughly deserving of their title. It would have been a great shock if they didn't claim the Premiership in the traditional manner, had COVID-19 not interrupted the season prior to the 1st week of

finals. They were a very well balanced team, well led by Henry Clark and regularly had 11 contributors. Charles Litchfield (443 @ 44) and Bennett Walsh (365 @ 73), amongst others, dominated with the bat while Henry Clark (27 @ 10), Sam Wood (18 @ 14), Murray Watts (17 @ 9) and Josh Toyer (17 @ 16) excelled with the ball. Congratulations to all who were involved throughout the season.

The 4th Grade had an excellent season and timed their run extremely well to sneak over the top of a strong Hawkesbury team by 1 point to claim the Premiership. Well done to skipper Ash Cowan, who claims yet another Premiership for the Club and was well supported by Michael Robinson who did a fine job as the stand in skipper when Ash was injured during the middle of the season. Not dissimilar to the 3rd Grade, the 4's had a really even contribution from all 11 players regularly, but in particular were spear-headed by Rex Greaves (30 @ 15), Jazz Rinka and Michael Robinson who collectively took 71 wickets @ 16.

It must be said that while these premierships were very well deserved, it certainly was not the ideal way to win them. There is nothing better than hitting the winning run or claiming the last wicket on Grand Final weekend and the elation and celebrations that follow. The cancellation of the finals series dealt the 1st Grade a particularly cruel hand, meaning we claimed a 3rd consecutive runner up title in the Belvidere Cup, despite only losing 1 match for the entire season and having the confidence from already defeating our closest rival in the Grand Final of the Limited-Overs Cup.

We should be extremely proud of the season the 1st Grade put together – to go an entire season losing only 1 match across both 2-day and 50 over cricket is an unbelievable effort and there were a number of outstanding performances and memorable moments throughout the season. Hayden Kerr took his game to another level, and was awarded the O'Reilly Medal for the competition's best player in a 4 way tie. Liam Robertson (936 @ 46) and Dugald Holloway (46 @ 18) were rewarded for great seasons with selection in the First Grade Team of the Year. Dugald's development has been terrific to watch and, like Hayden Kerr, his performances come as no surprise after a number of years of hard work in our Elite Athlete Program. Tim Cummins also enjoyed an outstanding year with bat and gloves, while Ryan McElduff continued his development as a player and a leader with a number of vital contributions with bat and ball and excellent leadership across both PG's and

Uni Nationals. Charlie Cassell and Ben Joy both also enjoyed strong seasons with the ball (and with the bat in BJ's case!), with Charlie dominant across 1st Grade, PG's and at Uni Nationals with 45 wickets @ 17 across all formats.

It would also be remiss of me to not highlight these three particular memorable moments:

The incredible chase of 462, 9 wickets down at Manly, with it all coming down to Ben Joy hitting a six off an Australian Test bowler to secure an incredible win.

Ryan McElduff (67no) showing experience beyond his years to pair up with Ben Joy to take us from 9/153 to equal with Penrith's 199 in the Limited Overs Semi Final "winning" tie (as the higher ranked team a tie was enough to progress into the GF).

And finally, the Liam Robertson - Dave Miller partnership of 119 which demonstrated incredible resilience to rescue us from 5/49, before we produced our most clinical bowling and fielding performance of the season to claim the cup against Randwick Petersham in the Limited Overs Grand Final.

Some of the other excellent performances throughout the season included Lewis McMahon (35 @ 15) and Kieran Tate (33 @ 17) leading the 2's bowling attack with distinction, Joshua Joseph's batting across three grades (513 @ 51), Shehan Canagasingham's skill again on show in 4's and 5's (25 @ 10), as well as the fine all round performances of Cullen Hathurusinghe, Max Hope, Matt Moran, Ben Mitchell, Dave Miller, Oli Zannino, William Masojada and Ryan Danne across a variety of grades. Well done also to our representative players, Jackson Gwynne (u19 ACT/NSW Country), Joe Kershaw (ACT/NSW Country 2nd XI), Nick Larkin (Sheffield Shield winner with NSW and runner up BBL with Melbourne Stars) and Hayden Kerr (NSW and BBL winner Sydney Sixers).

Other highlights include top 3 finishes in both Club Championship and Spirit of Cricket, winning the University Nationals Grand Final at Karen Rolton Oval in Adelaide (despite the challenge of it clashing with week 2 of exams) to secure Sydney University the overall title for 2019, and the introduction of both an u14 academy and an indigenous academy for the first time at Sydney University Cricket Club.

Thank you to our captains, Liam Robertson, Max Hope, Henry Clark, Ash Cowan, Andrew Wilkinson and Greg Cade who all did a fantastic job selecting, organising and leading their teams throughout the season. Pleasingly, Liam and Henry were awarded the competition's most outstanding captains for 1st

and 3rd Grade respectively, while Max and Andrew were also on the podium for 2nd and 5th Grade – this speaks volumes of the calibre of leaders we are lucky to have at our club in these challenging roles. Thank you also to our selection Chair, Phil Logan, for his wise counsel and his ability to navigate many complex decisions with clarity, consistency, and fairness.

Well done and thank you to our fantastic off-field team led by Colin Robertson, who has been a great addition to the club in the role of General Manager increasing our professionalism and communication across the board.

John Kilford continues to be one of the most important people at the club, performing a variety of vital roles, including practice captain, 1st Grade scorer and photographer, outstandingly well in a volunteer capacity.

Thank you also to Tom Fullerton, who did an excellent job as Club Captain, and together with Max Hope played a big role producing our website and social media content, our ground staff led by Daryl Davidson, and Anand Karuppiah for assisting our Green Shield squad as team manager.

Thank you and well done to all our coaches – Tim Ley, Ed Arnott, Chris Blake, Dave Alleyne, Grant Lambert, Henry Clark and Ryan Danne. You have all added significant value and should be very proud of the important role you've each played in the club's success.

Finally, thank you to SUSF and the SUCC Board who have both been excellent to work with – your ongoing support is much appreciated.

The Sydney University Cricket Club is a great club because it is full of great people. And it is this that makes it such a wonderful club to be a part of. I look forward to the 2020-21 season with great optimism.

Foundation Report

I OPEN THIS LATEST FOUNDATION REPORT BY ANNOUNCING A VERY IMPORTANT CHANGE TO THE WAY WE ADMINISTER THE FOUNDATION.

Donations to the Foundation have historically been held in perpetuity, meaning the current capital of around \$1 million will never be spent and only earnings will be available to the Club. Those earnings are typically applied to the Club's annual coaching and administrative costs and other projects, such as overseas tours.

The change I refer to, which was adopted by the Board of the Club late in 2019, is that while you are very welcome to specify that your donation is to be held in perpetuity, if you do not it will be applied in the short term to the most appropriate project of the Club.

For example, the Club's current focus is on infrastructure projects, with a view to ensuring we can provide the playing and training facilities we need to secure the Club's future. We face a tremendous challenge in securing grounds, for which the cost has risen substantially. Access to grounds is now the major issue for cricket in general in Sydney and our Club has been impacted more than most.

I ask all our supporters to give generously to the Club's current infrastructure appeal and, in so doing, leave a lasting legacy for the Club. In previous reports, I have highlighted the donation made by Mr Barry Lambert towards the Martin Lambert Indoor Nets. The nets form a part of the high performance sporting facility at the Sydney Uni Football Ground (previously No. 2 Oval) which includes this 3-lane indoor net cricket facility; the Club's administration offices; a Boardroom; a two-floor high performance gymnasium; and a 300-person function room. The immediate focus is to replace the No. 1 Oval Scoreboard with a state of the art digital scoreboard, but there are also pressing needs to upgrade St Paul's Oval and secure our 3rd playing venue.

Scholarships go to the core of what we offer our players. With future University funding not guaranteed, we need to work hard to preserve our scholarship offerings by funding them ourselves. In previous reports, I have mentioned the Mick O'Sullivan Scholarship, which was announced at the Blue & Gold Luncheon in November 2016. Approaching the four year mark, we are at a funding level of only around 60%. In other words, we still need in excess of \$10,000 in further donations

for the scholarship to be fully funded. It is beyond dispute that a key point setting us aside from other Premier Cricket clubs is our ability to support talented young men to maximise their potential both on and off the field through cricket scholarships. We desperately need to complete the funding of this scholarship in memory of Mick, an icon of our Club, to sit alongside the recently funded Dick Mesley Scholarship.

Finally, it has been my privilege in recent months to work closely with two of my former teammates, John Grimble and Tim Croft, in setting up a talent and identification program for local indigenous youth. While our initial sessions in the Martin Lambert Indoor Nets in February and March were not blessed with favourable weather conditions, we have planted the seeds of a program for which I see the sky as the only limit. As a supporter of the Club, you will see updates on the program when cricket resumes after COVID-19 and I ask you to please consider contributing to this very worthy cause.

To contribute to the Foundation, please visit <http://www.sydneycricket.com.au/the-foundation>. By arrangement, we can also accept bequests, so please think about this when reviewing your will or estate plan.

I conclude by thanking all our supporters who have contributed to the Foundation in the last 12 months and the Board and staff of the Club for their support and guidance. Under mandatory University rotation policy, I stood down as Chairman in March but am confident we will see the Foundation progress strongly under the new leadership of David Miller.

Club Captain's Report

ALTHOUGH THE 2019/20 SEASON CAME TO AN ABRUPT AND UNPRECEDENTED EARLY CONCLUSION, SYDNEY UNIVERSITY CRICKET CLUB ONCE AGAIN HAS MUCH TO CELEBRATE AFTER YET ANOTHER SUCCESSFUL SEASON. A 1ST GRADE LIMITED-OVERS, A 3RD GRADE AND A 4TH GRADE PREMIERSHIP HEADLINE OUR ON-FIELD TRIUMPHS, AS WELL AS WINNING THE UNI NATIONALS IN ADELAIDE. OFF THE FIELD WE WELCOMED OUR NEW GENERAL MANAGER COLIN ROBERTSON, EAGERLY ORGANISED THE MUCH-ANTICIPATED RETURN OF THE UK TOUR AND RAN OUR MOST ATTENDED SUNDRIES TRIVIA NIGHT ON RECORD. WITHOUT THE HARD WORK OF OUR COACHES, THE GENEROUS EFFORTS OF OUR VOLUNTEERS AND A SHARED LOVE FOR THE GAME AMONGST OUR PLAYING GROUP, THIS SUCCESS AND THESE EXPERIENCES WOULD NOT BE POSSIBLE.

Firstly, a big thank you must be extended to each of our captains. Their dedication and hard work sets the tone, not only for on-field success, but also for the fantastic SUCC culture of mateship and enjoyment that we are lucky to be a part of.

Liam Robertson once again led 1st Grade to a successful year and demonstrated his ongoing commitment to improving the Club. With the bat, Liam had a prolific season, the highlight arguably being his match-defining 66 in the Limited-Overs Final which, alongside Dave Miller, lifted the Students out of early trouble to claim the title. 1st Grade were also poised to challenge for the Belvidere Cup, finishing 2nd on the ladder. Liam's commitment to the Club extended off-field, not only through the duties of 1st Grade captain, but also as a dedicated member of the Board. In particular, he took the SUCC Golf Day to new heights this year, and despite its current postponement, laid the foundation for bigger and better golf days in the years to come.

Max Hope took the helm of 2nd Grade in 2019/20 and led a young side with energy and enthusiasm. Hopey has long been an invaluable volunteer for the Club and this year proved no

different. A founding member of the SUCC Army, frequent provider of SUCC Instagram content as well as go to Club interviewer/commentator/presenter, Max was never far from the off-field action. He again served as the coveted Quizmaster, wrote numerous articles for the Club website and perhaps most importantly could be routinely found in the Toxteth beer garden on a Saturday evening ready to lead whatever festivities might ensue. Max is truly a pillar of the Club and we thank him for another outstanding season of service.

Henry Clark skippered 3rd Grade to a dominant season, earning 75 points and losing only 1 match on route to a Minor Premiership and the Mitchell Cup. The lack of finals cricket should take nothing away from the 3s side, who finished the year with an incredible quotient of 2.16 and thoroughly deserved to be Premiers. Clarky also headed the UK Tour Committee and devoted many hours to its organisation, as well as assisting with the Trivia Night and coaching the Green Shield team alongside Ryan Danne.

Ash Cowan secured his third premiership as captain, leading 4th Grade to win the Reid Cup by a single point. Ash has provided many years of service to the Club and this year was no exception. The Father of the Uni Army as well as the master of tongs at any and all Club events, Smash is the heartbeat of the SUCC faithful. We cannot thank him enough for his continuing devotion and infectious enthusiasm for all things SUCC.

Andrew Wilkinson led 5th Grade with distinction and served as a valuable mentor and friend to many members of the playing group. A truly selfless member of our Club, Wilko routinely puts SUCC before himself, playing extra games to assist Metro Cup and being the first to offer his assistance whenever there is work to be done.

Greg Cade skippered Metro Cup and played an essential role in mentoring many of our younger players. Metro's is often the development ground for our Green Shield talent, and it is fantastic to have the experience of Greg to guide them in their first games at the Club.

Special thanks must also go to our coaches. Cameron Borgas once again provided his expertise to lift the Club to new heights, improving our players in both the technical and mental aspects of the game. This year we welcomed Tim Ley into the coaching fold with immediate effect. Much loved by the playing group, Plugger led the preseason inter-varsity tour to Brisbane and was always amongst the action at training,

passing on his invaluable knowledge as a legend of our Club. David Alleyne, Chris Blake, Ed Arnott and Grant Lambert provided further specialist assistance and we thank them for their contributions.

We are also very fortunate to enjoy the services of John Kilford, Russel Cowell and Jon Cant as scorers throughout the season. John in particular goes above and beyond, attending every training to run our sessions and taking a keen interest in every player at the Club. John, your contributions certainly do not go unnoticed and on behalf of the playing group I'd like to thank you very much.

This year marked the first of Colin Robertson's reign as our General Manager. Colin threw himself into the role brilliantly and was a pleasure to work closely with throughout the year. Proactivity and enthusiasm were the hallmarks of his work during the season and we look forward too many more years under Colin's administration.

A big thank you must also be extended to Adam Theobald and the entire board for their hard work and passion for the Club. Much of this work is done behind closed doors and board members often don't receive the praise they deserve, as without them, the Club simply would not function.

The Club was again supported by a number of generous sponsors. We are very lucky to enjoy the fantastic facilities on No. 2 Oval and the Martin Lambert indoor nets as part of Sydney Uni Sport and Fitness. To all of our other sponsors; FDC Construction, Firetrail Investments, Surjits Indian Restaurant, Henry William Lawyers, ISC Sport, The SportsClinic and The Toxteth, thank you for your ongoing support.

A highlight of the year and one of our most exciting projects was the organisation of the upcoming UK Tour. Thank you to the Tour Committee, led by Henry Clark, for all their hard work. Fundraising efforts led to our biggest and most profitable Trivia Night and a fantastic match between the Old Tourists and Future Tourists under lights on No. 1. Jack Hill in particular deserves recognition for assembling an outstanding fixtures list. Whilst postponed, we eagerly anticipate the Tour going ahead next year.

SUCC has experienced immense success over the last two decades. 28 premierships across the grades from 45 grand finals shows that the on-field formula is unparalleled. But in my mind what has sustained that success is undoubtedly the off-field culture of SUCC that keeps our players coming back each

year, hungry for more. AJ Grant once said to a young 4th Grade dressing room that the game of cricket is too fickle to enjoy if you're only invested in individual success. Rather, you have to enjoy the success of your teammates as much as your own and the success of your Club even more to truly get the most out of your cricket. This is what SUCC does so well, establishing a culture of inclusion that allows our players to identify as part of a treasured community of mates. There are no better examples of this than the heroic welcome that successful players receive each Saturday at the Toxteth or the number of players that turn up to support their mates as part of the SUCC Army. Too many players, both past and present, have built this culture for them all to be named here, but to each and every one of them, thank you. It has been a pleasure to serve the Club this year and a privilege to give a little back after all the Club has offered me in only a few short seasons. I eagerly await a return to normality following the Covid pandemic and the opportunity to properly celebrate our 2019/20 success.

Toss of the coin - Uni wins

Hayden Kerr Joint Bill O'Reilly Medal winner showing his class

First Grade Report

THE FIRST GATHERING OF THE PRE-SEASON WAS IN JULY. FOR MANY THIS WAS A CHANCE TO RIGHT THE THREE FINAL LOSSES OF THE PREVIOUS SEASON. WITH LARGELY THE SAME GROUP AVAILABLE AND A RENEWED ENERGY, THERE WAS PLENTY OF OPTIMISM FOR WHAT LAY AHEAD IN SEASON 2019/20. THE ANNUAL PRE-SEASON TOUR TO BRISBANE ONCE AGAIN PROVIDED THE GROUP WITH AN OPPORTUNITY TO KICK THE SEASON OFF WITH AN OLD-FASHIONED BONDING STYLE TRIP AMONGST SOME HIGH QUALITY, COMPETITIVE CRICKET.

Round one rolled around in late September and the Students were buoyed by the inclusion of Cricket NSW regular and SUCC poster boy Nick Larkin. In what would set the tone for the season to come, Hayden Kerr bludgeoned the Sydney attack to all parts of the University No.1 Oval, setting up a first-round bonus point win. As is the mark of any successful campaign, contributions across the season came from 18 different players with each finding a way to step up when the side required it most. This show of depth was the most pleasing aspect of the season and continues to highlight the strength of SUCC throughout the grades.

Another tightly contested season proper saw last season's premiers (Penrith) finish in the bottom half of the table, highlighting the strength of teams across the board. With consistent performances throughout the season, we managed to finish the season 2nd on the ladder. Unfortunately, with the cancellation of the finals series this was not enough to win the coveted Belvidere Trophy which went to Randwick Petersham who were deserved winners after going through the regular season undefeated.

The highlight of the season again saw the Students dominate the limited overs competition. After a tight grand final loss the previous year, the emphasis was on approaching our cricket with a sense of freedom to ensure we went one better. In what would eventually yield Hayden the O'Reilly medal, he was able to continuously set the tone up the front of the innings with both bat and ball. 861 runs @ 53.81 anchored by a remarkable T20 campaign, would see Hayden also debut for both NSW and the Sydney Sixers across the summer. Having arrived at

SUCC as a 17-year-old from Bowral and ultimately making his way through the grades, Hayden has become a true success story in where hard work and an innate belief can get you.

The limited overs final win over Randwick Petersham was our second victory in the competition across three years. We had earned hosting rights after finishing top of the table and then escaping a semi final tie for the ages against Penrith. Ben Joy and Ryan McElduff the heroes putting on a plus side of 50 partnership for the final wicket to tie the game. Having won the toss in the final we posted a below par 194 all out, although this total at one stage seemed too good to be true with the Students in a precarious position at 5/50. Enter the cool calm and collected David Miller who was having a strong season and was a much-welcomed addition back into the first-grade side – he and your scribe began resurrecting the innings with a crucial stand of 119. From the onset of the bowling innings it was clear the Students would not let another grand final slip away. Gloveman and senior statesman Tim Cummins claimed five catches as he combined with Dugald Holloway (4-19) and Charlie Cassel (3-36) to leave Randwick reeling at 7-70. With the last wicket dismissing Randwick for 113, the strong Uni army contingent that had settled into the hill for the days play led the celebrations well into the night.

Statistically across the season there was no shortage of individual players who performed well. I will let the numbers attached in this annual report do the talking but will touch on a few members of the side whose contribution went above and beyond just the numbers. Dugald Holloway, after a breakthrough season the prior year backed it up with another stellar season. 46 wickets @ 18 across the year are what the numbers will say. What they won't show are the tough over's Dugald bowled week in week out and the countless big wickets he picked up across the season. Importantly, no spell was ever too hard, no end too windy or a day too hot – Dugald always wanted the ball in his hands and was ready to roll his sleeves up to get the job done when required. Most notably was his performance with the ball in the Limited Overs final – a genuine redemption story given the events that transpired 12 months earlier. Charlie Cassel after a strong first season in 2nd grade came into his own as a first-grade cricketer picking up 24 wickets in first grade at an average of 19. Most notably for Charlie was his uncanny ability to pick up wickets with the new ball getting the Students off to a strong start. He will undoubtedly take a huge amount of confidence into next season, where he will continue to lead the attack with the new ball.

Tim Cummins again was the ultimate professional and student of the game. Beyond his statistical contribution, Tim's passion for the game continues to set the example for the younger members of the side. His performances across the year cannot be underestimated particularly with the gloves – a role we often take for granted, he continues to set the standards and lead our side in the field.

All things considered, season 2019/20 was an extremely successful campaign for the club. Adding another Limited Overs Trophy to the cabinet and coming 2nd to Randwick in the Belvidere cup was no mean feat. Unfortunately, the season was cut short due to unforeseen circumstances – hopefully with the extended break this year the team will return with plenty of enthusiasm and ready to go in season 2020/21. I would like to thank both Tim Ley and Cam Borgas for their contribution and support to both myself and the team. The standards they drove across the club this year was a huge factor in both 1st Grades success and the success of the club. Equally as important, John Kilford was tireless in his efforts 'on the book'. His contributions to the club go above and beyond his scoring on the weekends and he is truly appreciated across the playing group. There is no way that we could function without people like John. Lastly, I would like to thank the board for their continued support. Onwards and upwards to season 2020/21.

Second Grade Report

IT WAS A FRUSTRATING SEASON FOR THE SYDNEY UNIVERSITY SCOOBY DOOS SIDE IN 2019/20, MISSING THE FINALS FOR JUST THE SECOND TIME IN THE LAST 10 SEASONS... AHH WELL DIDN'T MATTER MUCH ANYWAY AS NO-ONE PLAYED FINALS CRICKET...

An awfully slow start to the premierships defence was ultimately too much for the Students to overhaul at the back end of the season, eventually finishing the season in a sour tasting 14th.

A common trend consisting of an hour-long period in the game whilst we were batting where the wheels didn't just fall off, they exploded, was the catalyst of our downfalls. This then unsurprisingly resulted in us making a very sub-par score on generally speaking batting friendly tracks and giving the bowlers with not much to defend.

Despite 2nd graders Hobson and Larkin moving on to greener wickets and pastures, as well as Cassell and Joy beginning the season in deserved 1st Grade spots, the side was in good shape with the arrival of Dum'n Dummer from Campbelltown-Camden and FunderMervaa from our University brothers in Melbourne. Add in stalwarts Miller, George, Danne and Tate still present and expectations were as high for the 2019/20 season as they should have been – premierships retention.

These premierships retention dreams took an instant and quite brutal hit in round one...and two...and three...and four (to be fair it was only a draw)...and five (back on the loss train)...and six.

It was a rather dismal start to the season for the Students and morale was low as we entered December without single win to our name. We sat 19th on the ladder (probably 20th but what's the difference) but knew it would only take getting the monkey off the back with one win to get the ball rolling and mount a charge for the top six.

Thankfully an outright win in Round 7 over UNSW in the battle of the nerds got the boys back into the mix, the match sponsored by Cirque Du Soleil in one of the biggest circuses I have ever seen.

However an unforgivable loss to ND's that saw us lose 6/23 needing just 27 runs to win at Lunch on Day 2 in the very next round slashed all wind that had managed to gather in the sails, and the twos boys went off home to enjoy a few Christmas puddings' and a few more on top of that (or maybe that was just me) with the bookies almost putting a line through the blue and gold's for the season...almost.

A rejuvenated unit returned following the Christmas break and we set upon regaining whatever pride could be attained for honour's sake. This included some absolute dismantling of both Sutherland and Blacktown, and with Campbelltown firmly in the Students sights, a few teams inside the six were looking over the shoulders upon rumblings of the big, big sound out of Camperdown.

However after staving off smoke and heat already throughout the season it was a near apocalyptic flood at University Oval that got in the road of a certain six points against the Ghosts, P.Epsi seen lurking in the shadows with a sly grin on his face knowing his dirty work here was done.

A winless last three games for the Students, including another wash out against Easts in Round 15, meant that the Uni boys were to finish well back on the grid, sadly a deserved spot on the ladder considering the inconsistent and infuriating season it was.

As is the case with every season – injuries and form slumps show why premierships are so hard to win. There's no doubt we had our fair share of bad luck throughout the year but the simple fact was that we did not play enough competitive cricket for long enough periods of time to be a threatening force in the competition. A stern focus on playing tough cricket for 96 overs in the day will be the way the Scooby Doos get back in the top six mix next season.

Player Highlights:

Ryan Danne

A fantastic hundred against the Ghosts at University Oval in blistering a heat a real highlight for the young man's season*. Still a rubbish Nash player. *Consisted of 14 games for unspoken reasons...

Tom Fullerton

Joined the side in Round 9 from 3rd grade and immediately looked at home. Glorious to watch, as pleasant a stroke maker at the club. Fantastic clubman.

Alex Shaw

As good a team man there can be. Infuriatingly good Nash player. A fighting 50 in the second dig at Coogee early in the season saving the boys from outright a fine example of the Grape's determination.

Kieran Tate

Bowled his heart out all year – often in tough conditions with not much on the board to work with. Already a staple in the side, Tatey improved out of site and earned a deserved First Grade Cap. Although he BBQ'd half the team throughout the year he also won us a very tight fixture v the Cats with the stick.

Lewis McMahon

First proper crack in the 2s for a few years and finished as the competition's leading wicket taker. Often seen dragging the other 10 battlers along with him into the contest. Incredibly skilful bowler, seen best by a Michelle 5-fa at Glenn McGrath Oval. Breakthrough year for the Stick.

Brodie Frost

Rocks in his head at the best of times, air at the worst. A good man to have up your sleeve with bat or ball in hand, Brockley bowled some seriously imposing spells and won us a few games with bat in hand too.

Will Masojada

I'm certain we would have won a few more fixtures if this idiot were in the side more often. Sadly won't be seeing much of him in the future as he cements his spot in 1s. Breathtaking stroke play in some half-centuries throughout the year.

Nick Walker/Dave Miller

Two gents I looked to for leadership and advice on more than one occasion and was never let down. Sadly and selfishly didn't see as much of them in my side as I would have liked. Both bleed maroon for country, so forever immortals in my eyes.

Ben Joy/Varun George/Ben Trevor-Jones

Always a treat to welcome genuine first graders back into the mix and these three all made match-winning contributions when they served their time. BTJ's stolen wicket at Blacktown probably the highlight of the year.

Josh Toyer/Henry Clark/Murray Watts

All of these men played a handful of games in the side but performed incredibly well and always on the back of incredible performances in the Thirsty's 3rds. A privilege to be there when JT became the club's leading 2nd Grade wicket taker.

Bennett Walsh/Josh Joseph/Charlie Dummer/Oli Zannino

I don't know who recruited these men to the club but what fantastic finds. All glorious to watch perform their crafts and all fantastic men to take the field by your side. Walshy's catch in Round 3 v Manly to get us back in the contest was one of the most surreal things I have ever seen on a cricket field. If you know, you know.

A huge thank you to Colin Robertson in his first season as General Manager, an equally big thank you to my fellow skippers and Cam Borgas as Club Coach for your guidance throughout the season. It's been a fantastic challenge to skipper a team with such high aspirations and an instilled drive to win. I have learnt many things throughout the year from the boys around me and can't wait to get back out there in season 2020/21 (pandemic pending) to give it all another a red-hot crack. Did we win? Sometimes. How'd we do it? Rarely convincingly!

Third Grade Report

WHAT A TRULY BIZARRE END TO THE SEASON THAT WAS. HOWEVER, AS THEY SAY, IT DOESN'T MATTER HOW YOU GET THEM AS LONG AS YOU DO, THERE ARE NO PICTURES DRAWN IN THE SCORECARD ETC., ETC... SO WE WILL TACK THEM. THIRD GRADE PREMIERS 2020!

While I wasn't aware of it at the time, when Cam asked me to skipper third grade this season I was obviously the preferred fourth choice... Jack Hill declined, Tom Kierath retired and Josh Toyer (according to himself) decided to focus on just being bald, sweaty and angry. Nevertheless, I was honoured to be asked because I love this club and I love the legacy we are building in third grade. Since 2012, we have played in 18 of the 21 rounds of finals cricket, having missed just three grand finals and having won three of the last five premierships. While this premiership will always have an Asterix next to it, there is zero doubt in my mind that we would have been crowned premiers even if we had been able to play finals cricket this year; such had been our domination throughout the year.

Those devoted annual report readers will recall the rambling prose of my predecessor, Ashley Cowan, detailing the current SUCC third grade journey. Ashley wrote that this journey began at the hands of former SUCC stalwart Peter Murray, flourished under himself and I have been honoured to continue its success this season. Ash deserves an enormous amount of credit for just how dominant our third and fourth grade sides have been in recent years, and I hope we continue this in future seasons.

I am not entirely sure who deserves the credit but whoever was charged with the task of overseeing our recruitments in the off-season deserves enormous plaudits. Those people new to SUCC not only played exceptional cricket but bought into everything we offer as a club and we are an even better club for having them as members. It is fair to say competition for spots is always exceptionally fierce at SUCC, but the arrivals of Bennett Walsh, Joshua Joseph, Ben Mitchell, Andrew Hazard, Oli Zannino and not to mention the return of Sam Wood, have taken this to another level. Only because of the strength of our performances were players like Rex Greeves and Michael Robinson forced to play the majority of the season in fours despite dominating week in week out.

There were a number of notable performances, both on and off field but let us focus on the field here, throughout the season.

Notable performances with the bat:

Bennett Walsh 125* (chasing 187) v. Sydney (Round 1).

Bennett joined the elite club of scoring 100 on debut for the club (your scribe may or may not also be a member of said club). At the second drinks break, we were about 3/90, Bennett was 70* and proclaimed, "yeah it's weird I am not really seeing the ball so I think I am just going to start blocking straight ones and then hitting the rest over the fence". The rest, as they say, is history.

Tom Fullerton 124* (including a 215run partnership) and Matt Moran 142 v. Randwick Petersham (Round 2).

The first of the many rare bromances that infiltrated our team this season. The two Paulines (fairly sure that's the correct term) violently bullied Randwick. Matt, as Matt does, plundered anything that wasn't a perfect delivery, while Tom announced himself with elegance and grace. Tom messaged me after this performance asking "could you please ensure the fall of wickets are entered into MyCricket so Matty and my partnership is recorded." Records mean nothing if they aren't verified online. Who said you do it for the love of it?!

Charles Litchfield 118 (120) v. Sutherland (Round 9)].

Rarely, when the third ball of the innings gets dispatched over cover for 6, do things turn around for the bowling team. This was no different. Given he has been the leading run scorer in third grade for the past three seasons, it is probably fair that Litchfield made it clear that he had zero respect for the Sutherland bowlers. Litchy dispatched the shark attack at will. While he did his best Ashley Cowan impersonation when he was on 99 (running down the wicket and trying to slog a spinner only to slip, fall and almost get stumped) and then skied one with 3 runs to win, this was an imperious innings.

Jack Hill 96* v. Campbelltown-Camden (Round 12).

There are many reasons I was thankful to be unavailable for this round:

- it was 48 degrees and we were playing at Raby;
- Jack Hill scored runs;
- Jack Hill sat nude in the change room during every break; and
- Matt Moran tried to explain the theory of 'Hot Air rising' to the Campbelltown children.

This round also cost us our scorer, with Jon Cant realising that spending his Saturdays watching us battlers in jeans at Raby in scorching temperatures was not worth it.

Charles Litchfield 154 v. St George (Round 14).

Charles didn't hit the third ball of the innings for 6 over cover in this innings... instead he did it in the third over. While, obviously scoring 154 runs was impressive, the state that he arrived at the ground made it all the more incredible. I think it's fair to say that Litchy took on Peter Epsi and won.

Notable performances with the ball:

Henry Clark 5/25 (incl. hat-trick) v. Sydney (Round 1).

Ben Joy has revelled for years yelling "yes the window" implying I have a two-ball window to dismiss batsman because my action is so wrong. Fair to say, the window worked wonders this day, with numbers 9, 10 and 11 unable to hit straight ones.

Murray Watts 6/22 v. Randwick Petersham (Round 2).

Muzz is the dream to captain, especially when you win the toss on a ranging green seamer and he proceeds to dismiss the top 6 batsmen of the opposition. To make this even sweeter, each of these dismissals were caught behind off defensive shots. Not for the last time this season, Muzz was a bully this day and my god it was enjoyable to watch from first slip.

Ben Mitchell 5/19 of 6 v. Parramatta (Round 5).

As mentioned, your scribe is not one to begrudge mopping up the tail. Benny took the last five wickets in a devastating spell including the catch of the season off his bowling. Notably, Benny was on a hat-trick at one stage; having caught the edge twice in a row, he walked up to me and said "so I am thinking of slower ball into the wicket...". Thankfully his cricketing ability trumps his theories.

Henry Clark 6/28 off 14 v. UNSW (Round 7).

More blokes missing straight ones. Importantly this game marked the rarest occasion I have experienced on a cricket field. This was the first game after Cricket NSW's new helmet policy came into effect. Somehow the UNSW wicketkeeper was caught unawares. Informing the umpires that he could not possibly keep in a helmet because his doctor had told him if he "tripped fell and hit his head, he would die with a helmet on". Kensotech hey.

Josh Toyer 5/57 off 16 v. Northern Districts(Round 8).

Toyer (the angry bald man) has pretty much made a career out of bumping 15-year-old kids and this day was no different. He bumped out five blokes and essentially told them to **** off. Also, Ben Mitchell was stuck in Bathurst because of "fires / cousin's birthday" (tough to determine which was the real reason). Ash Cowan volunteered as our substitute fielder, having finished his circuit only an hour before being picked up. Your scribe was also wrongly and yet repeatedly accused of claiming bump balls. For some reason all those who had vision of the catch (including the batsman) were adamant it bounced...

Josh Toyer 5/46 v. St George [14].

"I am not bowling at that end, no seamer should, its ***** stupid. I am just not ***** bowling that end. ***** ridiculous..." Toyer's spell from that end saw him take 5/21 off 5 overs to win the game.

Notable performances off field

Now I am sure most of these will be censored out of this Report, but these blokes deserve a mention for their honourable attempts to take on the Pepsi challenge: Andrew Hazard, Murray Watts, AJ Grant, Jack Hill, Sam Wood and Nicky Craze. However, as mentioned, Charles Litchfield took the cake. I could not possibly write this Report without, on behalf of Jack Hill, acknowledging the enormous effort our emergency servicemen have done this summer. I think it is fair to say, singing the team song in the basement of Matt Moran's estate will be a lasting memory of this season.

It has been an enormous learning curve for me captaining this season; on and off field. I could not possibly have done it without the advice and support of Jack Hill, Josh Toyer and Nicky Craze. I looked to these three for leadership and advice on many occasions throughout the season and was never let down. Thank you for your support and assistance. Beyond these three, to all the boys who played threes this year, thank you for making my first year as Captain so enjoyable and rewarding.

Phil Logan, Cam Borgas and all my fellow Captains who make up our selection committee. It hasn't always been smooth sailing and, as I said, it has been an enormous learning curve, but I am so thankful for the time and effort you all put into our club. It may not be a perfect system, but I honestly believe our selection process is an enormous part of our success. Specifically, Max and Ash, thank you for talking me through the rattle cage.

Colin Robertson, you were thrown in the deep-end and my goodness you handled it with intellect, care and remarkable poise. You have been an absolute pleasure to deal with and I am very grateful for how approachable and supportive you have been this season. Adam Theobald and our entire board, the overwhelming majority of work you do is unseen and often underappreciated. However, it is abundantly clear we would not function without your dedication and seemingly never-ending efforts.

I look forward to seeing you all again in September to do it all again.

Up the Uni boys.

Fourth Grade Report

WOW. WHAT A YEAR. PREMIERS, YOU BEAUTY!

From the harrowing semi-final loss last year to the Premiership this year, what a journey. Both years saw the minor premierships as the common factor. To be honest we considered ourselves the best team both years but ultimately it is so hard to win the comp, and I am very grateful that the best team won this year. It was remarkable on several aspects, not least a COVID-19 curtailment of the season.

For brevity's sake it's a bullet point series of moments this season for your reading pleasure:

- Rd1 vs Sydney, Josh Joseph, on debut and fresh from Norths, pulverising 95 (101) and holing out on the fence 30 overs in. Sam Wood coming back from a self-imposed hiatus, 52 (46) and 3/48.
- Rd2 vs Randwick Petersham, Brayden Dilley and Liam Coelho put on 143* to take us to a match winning 2/205 in return. Brayds' 62* was inflated in the last few overs as he unfortunately denied Liam 94* a chance at a ton. Your scribe heartlessly demanded the match over at tea rather than allow him to get his maiden 4s century (sorry mate).
- Rd3 vs Seagulls, JJ scored a delightful ton and Rex Greaves took 6fa! This was also avenging our loss from last year, what could be more perfect? Your scribe chunked a catch at mid-on and broke a pinky and missed the next 5 games.
- Rd4 vs Norths, they were comprehensively beaten by Oli Zannino, James Veitch, and Benny Mitchell. Rexy, worn out from the last round's epic effort, was indisposed.
- The next couple of rounds were uneventful, Shez, Quay, Rob, Rex useful.
- Rd7 vs UNSW, Jazz Rinka performed on the highest level, 17.1 overs, 7 maidens, 3 fa 16. Sexy Rexy also sublime, 20.6.3.50. But it was his 57* (5 4s, 4 6s) that won the day.
- Rd8 vs Rangers, this was AJ's game. Taking a gentleman's 2/44 from 10 in the first inns he singlehandedly destroyed the bowling and failing any other contributions fell a bit short in the 2nd inns. His 107 was a monumental innings and cemented his position as the leading run scorer in the history of 4th Grade.
- Rd9 vs Sharks, this was Michael Robinson's game. The great man, having taken over as skip from your scribe for the past 5 games, has now found himself back into the fray as a player only. And play he did. In the 1st inns Rob

compiled a delightful 82, and then in return took 3/25 from 10 straight to ensure the Units won with a coveted bonus.

- Rd10 vs Cats, AKA finals prep. This was an amazing game, firstly for having several former first graders (Nicky, Crowls, Withers, Newman, your scribe) facing off on a wet St Paul's deck. Crowls and Cowan (45* and 51) played hard in a 1st inns hampered by rain, but in the end the cats and Grego held firm to win a belter.
- From that point, we destroyed our competition and found ourselves up the top of the table.
- Rd11 vs Warriors, AC 24, BD 22, Rex 3/27, Leggie 2/2. Jazz Rinka 7.1.3.16. Quickest bumper in 4th grade history (since Darbos).
 - Rd12 vs Ghosts, wow this was a destructive match, Powys (76) could have got 300 if patient enough, but our declaration on 1st inns (after winning the toss) of 8/292 (46 overs) is one of the proudest moments of my entire captaincy. A washout week two meant that we only ended up with one point for our efforts, but it is a noteworthy match and I'm pretty sure unique in SUCC history.
 - Rd13 vs Lions. Well we got our just rewards here. The Units turned up demanding a full result and it was my man Michael Robinson's match figures of 8/85 and a big young country prospect Jackson Gwynne 6/56 who destroyed the opponents and meant we acquired a fully deserved 10 points.
 - Rd14 vs Dragons. This was Andrew Hazard's match, and what a match he had. 70 runs opening the stick and 3/31 in the 1st inns with the ball (incl 2 caught and bowled). He was ably supported by the left arm stylings of Jazz Rinka, who took 10.3.4.24 to return to good form leading into finals. Your scribe could have commented more on the earlier proceedings of day 1, but that would have been in absentia.
 - Rd15 vs Roosters. Rex added another 3 wickets to take his tally to 30 for his debut season in 4s (4th in the Grade for the year). Robbo cemented his spot as the best all-rounder in 4s and Jacko, Wood, Haz and Vanders bowled well without too much luck in a high quality rained out match.

After this we finished on top of the table and no more cricket was played, thus making us the Premiers by virtue of our regular season performance. Some may say a hollow victory,

however after playing for 18 years and being cruelly denied on many occasions, winning a premiership after being the best team at the end of the regular season doesn't seem unworthy whatsoever. We were the best team in the comp, and we had the best performance, and everyone that played with us during the year should be proud. One thing that has been apparent again this year is that we had a whole team of contributors, and everyone stepped up throughout the year. I am blessed to have such a great squad and club to play with each week and I wouldn't trade it for the world.

As always, I would like to give thanks to a few people. First and foremost, my leadership brethren, Max Hope and Henry Clark. These blokes were of tremendous help and offered so much quality advice, and a really strong level of support. Also, thanks to the other captains, Andrew Wilko especially. Logs and Cam were solid support for me over the year, and I thank you, especially when hard decisions had to be made. The Board as always, I am so grateful of your support and for your exceptional leadership. Col Robbo welcome to the role of GM. You have done a great job this year and you should be proud of the way the club is being run.

Congrats to Henry for leading the 3s lads to the premiership this year, emulating the glorious 2015/16 3s and 4s (3s and 4s) premiership year. The 3s and 4s group is such a deep and experienced squad, and I'm hoping that will continue to build over the next few years, as well as the youngsters moving up to 2s and beyond. Not only do we expect each year to be playing finals, we expect to be playing (and winning) Grand Finals. It is a fantastic achievement and one that we should be aware of and proud of, long may it reign.

Anyway, for me personally some stats. From the last 5 seasons as skip it's 3 premierships, 3 minor premierships and 2 semi-final losses, so I'm obviously lucky to have such an amazing bunch of blokes to play with year after year. I can't wait to try it all again and get back together with the boys, and the best cricket club in the world.

Cheers,

Ash Cowan

SUCC Fourth Grade Premiers 2019-20 (absent - AJ Grant, Jackson Gwynne, Ed Arnott, Brayden Dilley)

Disappointed Ben Mitchell

Fifth Grade Report

ANOTHER SEASON DRAWS TO A CLOSE, AND WHILE THE LADDER SHOWS A MODEST 15TH PLACE FINISH FOR THE 5TH GRADE SQUAD IT FELT LIKE WE WERE ONLY A FEW KEY OVERS AWAY FROM ANOTHER FINALS APPEARANCE.

Highlights were still plentiful, and there was still a great feeling of positivity throughout the group despite the lacklustre final result. Tough games were the story of the early season, with tight losses to eventual finalists in Manly-Warringah, and Premiers UTS North Sydney preventing us from building much momentum. An attempt to bounce back after the Christmas break was disrupted by the weather with 4 rounds worth of points being washed away. All in all, 2019/20 offered the chance for the team to prove themselves and gain experience, looking forward to an anticipated 2020/21 season.

The boys came out of preseason fit, firing, and full of enthusiasm and this translated into a strong Round 1 win. Our bowlers controlled the game early, holding a young Sydney side to 180 on a good Camperdown wicket. Shehan Canagasingham showing his quality with a clinical 3/24 off his 10 overs. But it was not all smooth sailing in the chase, with the score at 2/28 it was discovered that the Camperdown changerooms had automatically locked, with the lower order unable to retrieve their kit. A collapse in the form of 6 consecutive wickets timed out now loomed and Sydney pressed hard for the breakthrough. But the Uni order held firm, putting together long, and fruitful partnerships until the rooms could be reopened and the tail required to finish off the chase. Mention goes to Chris Thompson who (despite batting on one leg) displayed the power hitting that struck fear into the hearts of those brave enough to bowl to him in pre-season. A win to start the season, and the song heard all across Camperdown Park thanks to the now propped open changeroom door – it felt good to be back playing cricket.

With both weeks of Round 2 washed out we were next travelling to the beaches to take on Manly. A very evenly matched game could have gone either way, but the home team held their nerve to chase our total down with just 2 overs left to play and 2 wickets in hand. Osman-Brad Kayani spent the majority of day 1 filling his boots with dots as he slowly managed his way to 74, holding the innings together on a wicket that proved tough to score on. Shehan featured again with the ball taking 5/46 on day 2 in a strong start to his season. UTS North Sydney were our opponents for the next

round and the script was oddly similar. Uni held to a below par score around 200, but bowled well to take the game deep and force a close result. Islam opened his account for the season with a solid 49; unlucky not to make it to 50 after a ball found his pad either directly in front of middle or missing down-the-leg, depending on who you ask. The two tough losses back to back took its toll on the students' morale but we were keen to improve our standards across the rest of the season.

Enter Maxim Shanahan who having missed the first few rounds spent in Japan spectating the Rugby World Cup arrived back onto the field with an excellent all-round performance against Parramatta. First, 3/49 with the ball including the important wickets at the death, helping to keep the total low. Then in the face of rain potentially ending the game early, the pair of Half-Time Hennessy and Shanahan added 82 for the 6th wicket. Not only maintaining a high enough run rate to win in the face of a game ending downpour, but to chase Parramatta's total with time to spare. Azhar Saeed also made his presence felt, setting up the chase with a sparkling 51 that would start an outstanding run of form through to the Christmas break. His next innings would be the final highlight of 2019, 117 against Northern District – the highest individual total from the 5th grade players this season as part of the biggest partnership (159 for the fourth wicket). Az hit the ball to all parts of Storey Park, and Northern Districts were hapless to defend his 17 boundaries, and 2 sizeable sixes. Raising his bat in celebration should be remembered fondly, especially as your scribe botched the camerawork and was only able to record a brief clip of an empty outfield, and changeroom floor.

Much less cricket was played post-Christmas, as more than half our matches were rain affected draws. Shehan earned the 3 votes against Blacktown in a dominant team performance. He made the batsmen look silly on his way to 6/18, carving his way through the top order with guile and swing. Sanjay Anandarajah supported ably on both sides of the ball taking 2 of the 4 wickets left by Shez and making 40 at the top of the order. Max Shanahan continued his excellent season with 56*, taking to the closing role and making it his own.

Although not having featured statistically so far in the season, Matthew Johns bowled with great discipline and maturity without reward. He remained patient and was rewarded in a tight contest against Fairfield-Liverpool. With day 1 abandoned, and at the end of a long 120 over day at Don Dawson, Joey bowled the team to within an inch of victory with his maiden club 5fa a fine prize for a season of toil.

Having cherry picked an assortment of statistical performances from across the season it would be remiss of me to not mention those that had a less measurable impact. Murray Miles was always a key player for us, despite not capturing a big bulk of the wickets. Like Joey he bowled dependably without reward, and stood up as a senior player in critical moments. Lewis Ansell always looked to contribute on both sides of the game, and it was often difficult to get the ball out of his hand – even on a 40+ degree day at Raby when he would also open the batting later in the day. Morris Fredriksson went almost under the radar, as all good keepers do. A leg side stumping to a Medium Fast bowler is always something to be satisfied with. Youngsters Ashwin Dixit and Aryan Rodrigues were handy inclusions around the Green Shield season and are two players to watch for next season. Well done to those who were able to perform well and play in a higher grade this season: Azhar, Islam, Shanners, and Joey just to name a few, as well as the debutants from the Metropolitan Cup team: Henry Cain, Clancy Barrett, Lachy Anderson.

As always, such seasons don't happen without the work behind the scenes. Thanks as always, to Colin for all his hard work, especially keeping Camperdown covered and unlocked each game. Thanks to Cam and all the coaches for preparing us as best as possible week to week. Thanks to Fullers and well done on a successful first year (of many?) as Club Captain. Thanks to Peeky and Lewis for your help captaining the team in my absence. Thanks to all the captains for your support, insight and advice. Congratulations especially to Henry and Ash. Although it wasn't the victorious finals campaign you were after, both teams were comfortably the best in the competition and thoroughly deserve their titles. Finally, thanks to all the players I've mentioned here and all those that I haven't. It is a joy to captain, play, and train with you all. I hope we can achieve even more in the coming season and I look forward to sharing that success with you. See you in preseason.

Early Season Nets

Group warm up

Metropolitan Cup Report

SEASON 2019/20 PROVED TO BE A DISAPPOINTING AND FRUSTRATING SEASON OVERALL WITH A LARGE NUMBER OF OUR MINOR PREMIERSHIP TEAM FROM THE PREVIOUS YEAR NOT RETURNING TO THE CLUB. THIS SAW US FIELD THE YOUNGEST TEAM IN THE HISTORY OF SUCC METRO WITH A MIX OF ACADEMY (U/14) AND GREEN SHIELD PLAYERS (U/16) MAKING UP A MAJORITY OF THE TEAM EACH WEEK.

A horror schedule regarding strength of opponents and a lack of home matches saw the finals out of reach despite our late rally of winning the final two matches against teams above us on the ladder.

Our lack of experience saw us fail to be consistently competitive throughout the season. Our biggest downfall was lack of bowling penetration leading to not taking early top order wickets which cost us dearly in a number of matches. We took around half the total wickets compared to last season for reference.

Catching in the field was also a concern with chances going down at critical times and batsmen going on to make big scores as a result.

Despite the obstacles presented with team cohesion and balance there was a lot of fighting spirit shown at times which was pleasing.

There were a number of team highlights however as well as some standout individual performances that should be credited.

One of the batting highlights of the season came in Round 5 against Warringah.

Coming off an embarrassing outright loss to eventual premiers UNSW the previous round we were set 403 runs for victory with a day and a quarter left to play.

With Uni slumping to 2 for 5 early, the cocky opposition had their tails up and were looking forward to going for the outright in week 2. As a team we were determined not to allow this to happen and our goal was not to give them the satisfaction of even claiming 1st innings points.

Day 2 was a very tough day of cricket with everything being thrown at our young team as our resistance led to growing frustration from the opposition.

Jack Hennessy was the rock and mainstay of the innings batting for 90 overs with a patient and stellar knock of 90. Only exhaustion late on day 2 got the better of him.

At wickets 9 down and still 5 overs to play, up stepped 13 year old debutants Malay Doshi and Aryan Rodrigues who batted calmly and cautiously saving the game and showing that they have heart that you cannot teach. Final total Uni 9/248 off 93 overs and a very satisfying draw the result.

The very next round saw our first victory coming in a very solid one day match performance against Randwick-Gold away from home. Chasing 199 for victory the win was achieved 3 down in just 36.2 overs. Azhaar Saeed a powerful and dominant 92 not out, partnered by young Aryan Rodrigues who made the most of a promotion up the order with a season high of 66 not out.

Our second victory came in controversial circumstances against competition leaders Sutherland in a Sunday match before Christmas. Chasing 222 after a batting clinic from stylish left hander Clancy Barrett (77 runs) Sutherland were bowled out pretty much exclusively by 5th grade captain Andrew Wilkinson who was graciously backing up from the day prior. His 7/53 off 23.5 overs was a great example of tight line outswing bowling. Sutherland all out 112 off 47.5 overs.

It was also our best fielding performance of the season with the attitude and energy smothering the runs chase.

Initially post-Christmas saw very little meaningful cricket with matches being affected by weather (rain and heat).

A day 2 washout against Norwest saw an outstanding batting performance in the heat affected day 1 go to waste. The opening stand of 150 between greenie Raphael Giles (81 runs) and Henry Cain (71 not out) was a treat to behold and a measure of what they both can do with the bat once they get set in their innings.

A victory in the final home match of the season came with Blacktown making 148 off 71. Uni batting second 184 off 58.3 in very slow heavy conditions.

It was a much improved bowling effort on day 1 and took the pressure off the batting units.

Our persistence throughout the year in playing 13 year old leg spinner Malay Doshi paid off during this match with him returning lifetime best figures of 5/42. This included a ripping Warne to Gattling like delivery that pitched outside leg and took out the top off off stump bamboozling the confused batsman. Malay has a big future at our club and has all the intangibles that will no doubt see him represent higher grades in the future.

On this day Malay was supported by our quicks Tom Crawford 3-13 off 15 overs, Lachlan Anderson 0-30 off 18 overs and Cullen Hathurusinghe 0-14 off 10 overs who tied up their ends respectively.

The final round of the season saw us travel to Marrickville Oval to play Randwick-Green in what is always a spicy rivalry match.

Winning the toss and sending the opposition in on a good deck we were pretty fired up having our strongest bowling attack of the season and the units terrorised the batsmen with accurate fast bowling and the few that did show resistance did so in vain (ie Wanzare 7 off 86 balls).

The result - Randwick all out 54 off 38.3 overs. Cullen 5-10 off 9.3, Murray Miles 3-16 off 11 and

Ashwin Kirubananandan 2-5 off 5 overs.

With the bat we went into T-20 mode scoring 7/100 (dec) off 20 overs. Murray Miles gave us all some great entertainment blasting a quick fire 32.

Sending Randwick back in late on day 1 saw them 1 wicket down at stumps, notably the vital wicket of their captain.

Week 2 saw us only able to field 8 players on the day due to illness and 2 players moving up to 5's as emergency replacements. A few adjustments in the field required but nothing insurmountable.

Cullen Hathurusinghe was outstanding once again with early outswing and then reverse swing with the older ball and was virtually unplayable. Final figures on the day of 22 overs 6-40.

Figures for the match of 31.3 overs 9 maidens 11 for 50.

Unfortunately with Randwick at 9 for 90 in the 2nd dig and Uni down 2 strike bowlers from the week before we were unable to claim the outright points which would have seen us move up two further places on the ladder. Full credit to their young players Khoo (69 runs) and B.Coombs (21 not out) who though a little unorthodox at times played tough cricket.

With this strong of a performance in the final round it's hard not to wonder what might have been throughout the season if player availabilities had been a little better and we were able to field a balanced team each week.

Special mention must go to our comeback player of the year Cullen Hathurusinghe.

Cullen has been battling a chronic knee injury for the past couple of years that severely limited his appearances for the club. This season he battled through, managing the injury during matches and gave everything the captain asked of him which was sometimes a lot.

Batting no higher than 6th he was our leading run scorer with 230 runs @ 25.6.

He was also our leading wicket taker with 22 wickets @ 18.9.

I was really proud of the way he conducted himself this year, always playing hard in a positive spirit and being a great teammate and example to the younger players.

Putting a team on the field each week is not an easy task at Metro Cup level but it's gratefully not a solitary one so I would like to personally thank the following club men:

Phil Logan (Head Selector) for once again providing encouragement and thoughtful advice and support throughout the season.

Anand Karuppiah (Green Shield Manager) whose help in finding players (often at very late notice) was invaluable and no doubt saved us from having to forfeit matches particularly over the Uni/HSC exam and Christmas period.

Colin Robertson (SUCC General Manager) in his first year in the role had a steep learning curve regarding the inner workings of the Metro Cup and did a fine job.

Samir Doshi (Parent) who provided generous match day support and was always enthusiastic to take as much load off me as possible. Samir is a former player and a great friend to the club.

The players and I would like to thank Director of Cricket Cam Borgas as well as Chairman Adam Theobald and the club board for their stewardship this season in what proved to be a difficult to navigate and sudden end to the season.

Thanks to SUSF as well as The Foundation and our valued club patrons for your continued financial contributions to the cricket program.

Congratulations to our Premiership winning side's led by Henry Clark in 3rd Grade and Ash Cowan in 4's. Very much deserved after such dominant regular season performances!

Finally, as we navigate very uncertain times due to the global health crisis let us look forward to once again gracing the field in the mighty Blue and Gold and appreciating the time we get to spend with our club mate's and friend's on and off the field. I know that is something that keeps me going until we are able to be together once again. Hopefully with renewed vigor we can continue to use cricket as our vehicle towards learning to become better people.

Poidevin-Gray Report

IN 2019/20, A COMBINATION OF ONE DAYERS AND TWENTY20 MATCHES, PLAYED AS CURTAIN RAISERS TO THE FIRST GRADE GAMES, BROUGHT AN ADDED LEVEL OF EXCITEMENT TO THE POIDEVIN-GRAY COMPETITION.

However, on reflection, this PG's campaign will go down as one in which a slow start saw our side miss an opportunity to play finals cricket or even better. Two losses in the opening two rounds to Blacktown and Hawkesbury respectively, was turned around by three wins on the trot, yet ultimately, a disappointing loss to eventual winners Fairfield Liverpool in the final round of the competition left the side 1 point short of qualifying, knocked out without playing finals for the third consecutive year.

Ultimately, there are a few key moments throughout the season that highlight the side's shortfalls in capitalising on potentially vital situations, largely contributing to the team missing out on the finals series. Firstly, a poor batting performance in round one, after having Blacktown 5/30 before the sixth wicket partnership contributed 109, kick started the season with a disappointing loss. The following round, a productive start saw the students reach 0/94, however a collapse to 8/214 at the close of innings and the departure of two of our eleven fielders for a University scheduled exam with ten overs remaining ensured this slow start continued. Finally, after a strong bowling effort in the final round, a lack-lustre batting performance with a number of starts unable to be converted saw Sydney University bow out to the eventual winners in 43 overs.

Despite this however, there are a number of positives to come out of this PG's season, and consequently, there are a few individuals who had commendable seasons and deserve to be recognised for their efforts. Matt Moran played a consistent role throughout the year with both bat and ball. With the bat, Matt scored 243 runs at an average of 60.75, as well as taking 7 wickets at an average of 17 with the ball. In particular, Matt's three scores of fifty plus throughout the season, including a highest score of 77 against Parramatta showed Matt's confidence in moving the game forward throughout the middle overs, with the ability to score freely for extended periods of time. Charlie Cassel was another dominant player throughout the PG's season, taking 13 wickets with the new ball at a tidy average of just 13.00. Charlie's best figures of 4/17 came against Western Suburbs, and involved him cleaning up four of the top five batters, and included a hat-trick. One

feature of Charlie's bowling which should be recognised is his consistency, with an economy rate of just over 3.5, Charlie was among the lowest in the competition, and certainly made it difficult work for any of the top order batters we came up against this year. Finally, Charlie Dummer played a dynamic role for our team with the bat, scoring 226 runs at an average of 37.67. Charlie's ability to take the game to the opposition and play an aggressive role during the power play was pivotal, and contributed largely to the success we had, given when Charlie fired it often culminated in a win.

A number of other players made important contributions to the team throughout the season, and with a number of players returning next year, improvements across the board can ensure another positive experience in the coming season. Players such as Rex Greaves, Ben Mitchell and Jackson Gwynne all enjoyed their first season at the club, and in turn, in the PG's set-up. Each of which enjoyed considerable success at stages throughout the year and will fair better next season with another years experience in grade cricket under their belts. For some however, they have played their last year of PG's, with Charlie Cassel, Charlie Dummer, William Masojada, Jack Lawson, Lewis Ansell and Oliver Zannino all moving on next year. To these players, I would like to commend them on their attitudes and performances both this season and in previous years within the competition. Moving forward however, the absences left by these ineligible players, will provide an opportunity for some of the clubs new and younger players to step up and get a taste of PG's cricket on a more regular basis. This year, we have already seen a couple of younger players start to be more regular members of the side, with Jazz Rinka and Morris Fredriksson making appearances at stages throughout the year, and will no doubt be more regular members of the team in the coming years.

Finally, I would like to extend my thanks to a couple of people who allowed for the year to run as smoothly as possible. Firstly, Tim Ley coached the side throughout the season, and in his first year away from playing for the club; Tim provided great insight across the tactical, technical and mental side of the game, highlighting the advantage of having a current player like Tim in a coaching role. Moreover, Cam Borgas in his second year as club coach was again excellent, acting as another hand on deck and helping out wherever possible.

Lions Report

FOR THE LIONS, THIS WAS A SEASON THAT NEVER QUITE GOT GOING, AND ENDED UP FIZZLING OUT BADLY.

20 fixtures were set at the start of the season. By Xmas we had played 8, for 4 wins and 4 losses, with 2 games lost to washout/forfeit. After New Year, we had a big win in early January, and then saw every other fixture washed out or otherwise lost for reasons that included smoke and extreme heat, and finally the Covid-19 pandemic.

So, in summary, 5 wins, 4 losses, and 11 games not played.

For those who do not know, the Lions play in the City & Suburban (or C&S) competition, which has been played since 1903, with Sydney Uni one of the foundation clubs. All games are 35 overs per side, played on turf over one afternoon. In recent years the Lions have had a mix of SUCC stalwarts bringing the experience, current students bringing some youth and energy, guys from the SUCC 5ths and 6ths, and various friends who love their cricket.

The season started promisingly, with the side keen to get going after not losing a game after New Year the previous season. Our first game saw an exciting win against Cranbrook Old Boys. Lions batted first and recovered from 3-13 to get to 8-157 on the back of 76 from Lewis Smith. A strong bowling and fielding display saw us dismiss the opposition for 152 in their last over, with Tom Aitken taking 5-37, well supported by new player Rob Nettle (1-21) and Mo Ghumman (2-12). Next game was another win against private school old boys, this time at Barker College, featuring high scoring. We batted second and chased down 225 with an over to spare, with excellent contributions from Lewis Beard (38), Mo Ghumman (44), Will Sammuri (79*) and Al Yap (27*).

But then the Lions crashed back to earth, towelled up by Beavers at Goddard Oval, with Beavers passing our score of 140 with only 1 wicket down and plenty of overs to spare. That was followed by a disappointing loss to Rangers, all out for 125 chasing a modest 136, with new boy Anthony Carroll (43) top scoring against his former club.

Lions returned to winning ways against St George Vets at Goddard Park. St George Vets posted a competitive 176 from their 35 overs. Then we saw SUCC stalwart Phil Logan opening the batting and wind back the clock with 56 at better than a run a ball, including a decent partnership with Ronak Nand, a young man at the other end of his SUCC journey. Phil's half century meant Lions were well placed to chase down the St George total,

which we did with late innings contributions from Carroll (37*) and Rohit Chintala (26, after earlier taking 4 wickets late in the St George innings).

After a forfeit which meant we missed a week, Lions then faced Nondescripts in a game in which a win would see us through to the Jack Pace shield knockout stage (this is the competitive part of the C&S season, with the top 8 teams determined by results in certain games before Xmas, and those 8 sides then playing QF, SF and potentially a final after New Year). Playing on a dry and crumbly wicket at Reg Bartley Oval, and up against a decent attack, Lions could only manage 9-131, with Lewis Beard (27), Anthony Carroll (19) and Arsalan Anees (20) contributing before a last wicket unbeaten partnership of about 25 between Rob Turnbull and Brad Koch got us some respectability. After Nondescripts cruised to 0-50, Captain Croft swapped his mediums for off spin on the crumbly wicket, and took 2 wickets in two balls. Then Paul Moorhouse took 2 wickets with off spin, then another wicket and 'Nondos' were suddenly 5-67 and it was game on. Al 'Smokey' Yap was freed from his wicketkeeping duties so that he could provide some more off spin, and also took 2 wickets. Nondescripts were now 8-103, needing 29 runs from 8 overs on the difficult wicket. What came next is hard to describe, and was also frustrating. The two batsmen were the Nondescripts quick bowlers, Khan and Bakti, and both were young and fit. Both looked like they could bat a bit, but their running was something else, attempting singles with almost every ball, one or the other of them often running half-way and turning back, and all the while shouting at each other in Urdu. Plus lots of mid-pitch conversations between balls. Those boys were excited as only Pakistani cricketers in a tight situation can be! We should have run them out at least twice, but didn't. By the start of the 34th over they had brought the scores level. Opening bowler Rob 'Big turns' Turnbull came on for an over of left arm finger spin, and got the breakthrough (and a maiden to boot). So the last over started with Khan on strike needing one run to win, and with Lions needing a wicket to tie. Unfortunately, after a few dots balls and pressure building, it wasn't to be. That was one game that got away.

That was followed by a good win against Hunters Hill, where Lions held HH to 8-148, with spin twins Al Hunter and Paul Moorhouse each taking 3 wickets and Rob Turnbull the incredible figures of 5 overs, 0-1. Lions chased those runs down comfortably, with openers Mo Ghumman (90) and John Wright (38*) putting on 137.

We had one more chance to make the knockout stage of the Jack Pace shield, our game v Cricketers Club at Camperdown. However, we failed to keep a strong CC batting side to a reasonable score, and they posted 6/225 from their 35 overs on a good batting strip. In reply Mo Ghumman (56) got us going while wickets fell at the other end, and then Tim Croft (40) and Anthony Carroll (26) gave the Lions some hope with a 65 run partnership in quick time. But both of them were run out in consecutive overs and notwithstanding a few late sixes hit by Tom Aitken (26), the total was just too big to chase. Lions all out for 203 in the final over. Our JPS ship had sailed for the season.

In early January Lions took on Paddington, bolstered by a few members of the Riverview School first XI (thanks James Rodgers). It turned out to be our biggest win of the season. Lions batted first on a really hot day (40c+), with one of the Riverview boys, Zac Kalogerou, being simply too good for the Paddo attack and carrying his bat for 128*. Zac was well supported by Mo Ghumman (36), and one of his Riverview mates Harri-Lee Young (36). Lions finished with 4/255; not much fun for the Paddo boys on such a hot day. Paddington were dismissed for 97, with another Riverview player, Tom Easy, starring with 3-8.

And that turned out to be our final game for the season, as Sydney's smoke and then bad weather, and finally Covid-19, combined to dud us of game after game through February and March.

So, a frustrating season, but there were a some good wins and close games, some strong team performances, and a few standout individual performances. As usual, the Lions enjoyed their cricket in the competitive yet social competition that is C & S cricket.

Thanks to everyone who turned out for the Lions this season gone, and to Tim Croft and Al Yap for sharing captaincy and organising duties at various times during the season. Also thanks to Greg Cade, who helped with players from the SUCC ranks. Many thanks also to SUCC and Colin Robertson, for arranging kit for us and allowing us to use the Uni nets on Thursday evenings. Here's to more games in 2020/21! And anyone who thinks they might like a game with the Lions in the coming season is very welcome to call me on 0425 266 133, or Tim Croft on 0414 520 842.

UWCC President Report

NO CLUB CAN HAVE SUCCESS WITHOUT THE SUPPORT AND COMMITMENT OF A STRONG COMMITTEE. I WOULD LIKE TO THANK ALL THIS SEASONS COMMITTEE MEMBERS. A LOT OF THE HOURS AND WORK THAT IS PUT IN BY EACH AND EVERY MEMBER OF THE UWCC COMMITTEE GOES UNNOTICED. DURING THE SEASON THE DEMANDS PLACED ON THE COMMITTEE IS HIGH BUT NOT ONCE DID ANYONE STEP DOWN OR SHIRK FROM THEIR RESPONSIBILITY.

- Secretary – Nikki Pitkethley – Communications and Social Media Subcommittee.
- Treasurer – Peter Robinson – Grant and Funding Applications, Trophy Subcommittees.
- Vice President – Georgia Lomis Futeran – Communications and Social Media Subcommittee and University of Sydney Student Representative.
- Vice President – Taylor Ling – Uniforms and Equipment, Sponsorship Subcommittee.
- Erica James – Statistics, mycricket support and meet and greet new members Subcommittee. Ed Muston – Grounds and Nets Subcommittee.
- John Sheppard – Sponsorship Subcommittee.
- Amber Blanchard – Photography Subcommittee and UNSW Student Representative Bernice Harpley – Social Subcommittee.

The 2019/20 season was probably the hardest season Womens Premier Cricket has faced in a long time with Bush fires meaning many games had to be cancelled in January and February then COVID 19 in March April meant more cancelled games – including finals series.

In 2019/2020 UWCC fielded teams in all grades including the continued new team to the competition U15's. We had returning players and a fair few new faces joining the Club, which is always lovely to see. Including 2 British players Bess Heath and Sophie Munro, who were tremendous additions to First Grade (especially when representative duties meant a lot of our First Graders were unable to play Club games). As UWCC now has a MOU for overseas players which asks these players to commit to assisting with training and developing our junior players – both

Bess and Sophie did this with great success. UWCC First Grade won the T20 competition well done girls, and made it to the Limited overs Finals – which unfortunately was not played due to COVID 19. Third Grade also made it to the T20 semi-final, but were beaten on the day.

We saw some changes to the coaching staff this season.

Darren Smith had provided an amazing injection into the Club for the last 3 seasons and put us in a new space in terms of leadership and coaching, for which we are forever grateful. It was decided at the Executive level that a new direction for coaching was needed in 2019/20 going forward. The position of Director of Cricket was advertised and after interviews took place Tim Carter was awarded the position. The new role meant that not only was Tim in charge of Coaching but also his role included actively directing the Club. Tim has done an outstanding job in this newly created position. As always with change there is some hurdles to overcome with players and parents used to the old way of doing things. Whilst Tim had a few issues with which to deal he, with Nikki's support as Secretary really managed some challenging situations. I am incredibly grateful for the professionalism this change has been managed especially by Tim and Nikki.

Tim, being a CNSW Academy Coach is very useful to have on the Club as he understands the operational issues at CNSW and has contacts to deal with issues as needed. He also has an insight into the demands of the Elite Pathway players, which is very useful.

Tim recruited Mitch Caldwell (a CNSW Regional Coach and player batter/keeper) and Mitch has been a wonderful addition to the coaching staff.

Jarrold continued to coach the Brewer Shield Team, which was fabulous.

It is always an issue being able to find (and pay) coaches. Tim wanted to avoid parents as coaches where possible (Jarrod has been a coach with UWCC for 3 years and doing a great job, so exception made here), and also wanted to ensure the standard of coaching was of a quality to coach Premier cricket teams.

Tim, with Alex and my assistance has worked with CNSW staff (Sean Mantle and Ben Levitt) and Girls Development Manager /Sixers Samad Shaik to try and establish a pathway for Junior Girls who want to play in Women's Grade Competition. We hope to continue this work in the coming season.

Our successes on and off the field kept us balanced and our community feel continued to grow and an additional emphasis on asking players to take a more committed approach to cricket. Tim's mantra has been "I want to help you be the best cricketer you want to be". We had a number of players representing at higher levels throughout the season at underage championships, National League, Big Bash and Australian levels. We also had a number of players involved in Cricket NSW Academy squads. Congratulations to those players on their successes. It is always a highlight for us all when you are able to get back to the club and play or coach.

UWCC Representative Players 2019/20 Season

UWCC has a lot of players playing cricket at representative levels.

- **Charlotte Moss** (U14 CNSW Academy Squad).

I'd like to acknowledge the support of Sydney University Sport and Fitness and UNSW sport who have provided us with facilities and guidance throughout the season. We are continuing to work with both Universities to ensure that we are all on the same page with our common goal of making UWCC strong and sustainable. I would like to thank FDC Construction for their support for Women's (and Men's) cricket at Sydney Uni.

We had several successful events throughout the season including; Season launch and Christmas Party Unfortunately the Bush Fires of January and February drastically impacted Women's Grade Cricket – both being able to play and able to run Pink Stumps Days this season

Thank you to all team managers and team captains for your ongoing support throughout this season. Without your efforts on and off the field week in and week out it would have made the running of the club a lot more difficult. Thank you to all the players. Despite their being times throughout the season where it was difficult to fill teams, it was great to see that family spirit come through with many players putting their hands up to help.

On closing I would like to give a special thank you to Peter Robinson as he steps down from UWCC committee in 2020/21 after 5 very solid seasons of contribution. Peter has been a tremendous sounding board for me over the last 4 seasons and I have always valued his professional advice and input. On the committee he has been responsible for applying and receiving many grants each year from CNSW and CA. The money we have received from these grants has definitely contributed to keeping UWCC viable and able to afford paying coaches, balls and subsidizing social events. Pete has also been trouble-shooter for mycricket issues faced by managers and captains, and also organized trophies to be collected and engraved ready for Presentation Nights. In addition to this Pete has scored every game he has attended (and even gone to some 3rd grade games to help them out scoring) and managed for at least 3 years.

Peter's contributions on the committee will definitely be missed next season we hope he continues to manage/score on games days next season.

John Solomon

15TH October 1937 – 16th March 2020

1st Grade Cap # 382

John Solomon, one of Sydney University's finest all-round sportsmen of the post-war period, died at the age of 90 on 16 March 2020.

Mr Solomon, who was born on 15 October 1929, entered Sydney University after attending Scots College, where he had made a reputation as an outstanding Rugby Union player and an excellent cricketer. He enjoyed three seasons in the Scots 1st XI, becoming its captain, a very consistent and aggressive middle-order batsman, and a nimble wicketkeeper. He played in the GPS 1st XI for two seasons (alongside the future Test batsman Jim Burke).

After Solomon entered Sydney University in 1948, his Rugby developed rapidly. He made his first Rugby appearances for New South Wales and Australia before his twentieth birthday. He won his first cap against New Zealand Maori in Sydney in June 1949. Despite the demands of his medical studies, Mr Solomon was awarded Blues for Rugby in four successive years - 1948 to 1951 - and went on to represent Australia in 14 Rugby Union Tests between 1949 and 1953.

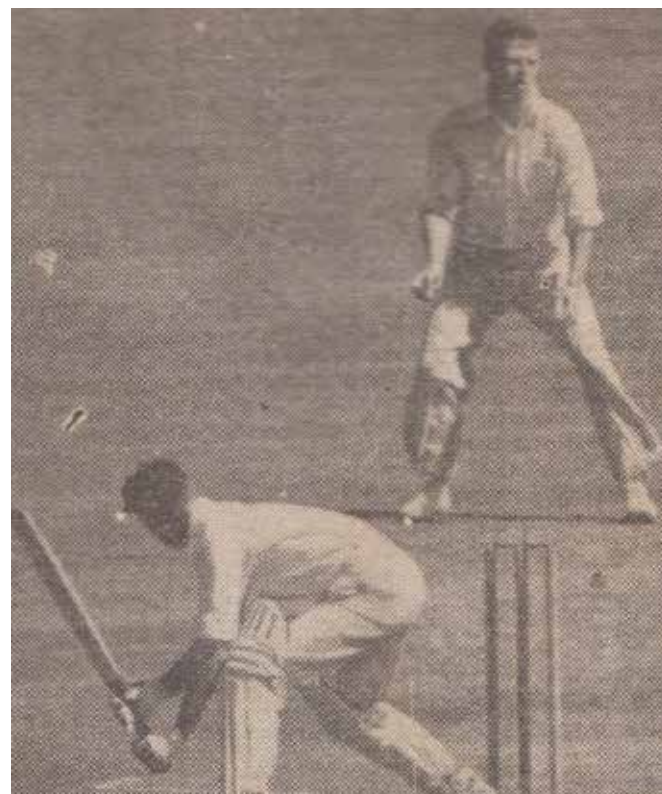

Solomon was fast and versatile: in his first three Tests, he played in three different positions (wing, fly half and centre). In his second Test, against the All Blacks in Auckland in September 1949, he scored a try in Australia's 16-9 victory. His team-mates on that occasion included Rex Mossop (a double international who later became better known as a commentator); Nick Shehadie (later Lord Mayor of Sydney); and Dave Brockhoff (his old Scots team-mate, and a future Wallaby coach who also played cricket for Sydney University). He was still an undergraduate when he was named captain of the Australian team that played Fiji in 1952, and he led the side on eight occasions. Towards the end of his international career, he was Australia's captain when the Wallabies earned a rare 18-14 victory over South Africa in Cape Town in 1953 - South Africa's first home defeat in 15 years. Solomon's impact on that game was so significant that the South African forwards chaired him from the field at full time. He made 19 appearances for New South Wales before his representative career was ended by a shoulder injury. In 2016, he was inducted into the Australian Rugby Hall of Fame.

Solomon's cricket took third place to his studies and Rugby, but he was a gifted player who - when available - illuminated University's teams in the early 1950s. After first appearing for the club in 1948, he made his First Grade' debut in December 1951, becoming First Grade cap 382. He was an aggressive batsman, and exceptional fieldsman - usually at slip, although he sometimes filled in as wicketkeeper. Between 1951 and 1955, he scored 537 runs at 22.37, at a time when pitches were uncovered, Test bowlers played Grade cricket regularly, and average scores were much lower than they are today. His highest First Grade score was 53 against Gordon in 1952-53, made in only 48 minutes with seven 4s (he was caught

from the bowling of left-arm spinner Ken Eastwood, who was to play his only Test 18 years later). One of his team-mates in University's First Grade side was Saxon White, who also became a doctor and an Australian Rugby representative. Solomon scored over 1000 runs in all grades and his highest score for the club was 96 against Paddington in Second Grade in 1948-49. His teammates remember him as a gifted cricketer and outstanding team man.

John Solomon enjoyed a lengthy career as an obstetrician and gynaecologist, during which he estimated that he delivered more than 7000 babies.

The club honours a remarkable life and extends its condolences to Mr Solomon's family, especially his son Michael and daughters Caroline, Virginia and Georgina.

Sydney Uni Sport & Fitness Blues and Golds for Cricket

THE SYDNEY UNIVERSITY SPORTS UNION WAS ESTABLISHED IN 1890 AND BEGAN TO AWARD BLUES FOR CRICKET IN 1894.

Blues have been awarded to enrolled students who have played at least the majority of First Grade matches in a season and have satisfied the Blues Committee that they have performed to a sufficiently high standard.

Golds have been typically awarded to long-serving volunteers who have contributed significantly to the fabric of the Club.

Club Records: 1854–93

FOR SEVERAL YEARS, THE CLUB'S ANNUAL REPORT HAS CARRIED THE CLUB'S RECORDS SINCE THE COMMENCEMENT OF THE GRADE COMPETITION IN 1893-94. THE CLUB WAS, HOWEVER, ESTABLISHED IN 1864 AND FOR THIRTY YEARS BEFORE THE GRADE COMPETITION WAS FORMED, IT COMPETED AS ONE OF THE LEADING CLUBS IN SYDNEY.

The following records are taken from all available published sources, including newspapers, club annual reports and sporting periodicals. For some seasons, full details exist for all the club's First Eleven matches: in other seasons, the records are incomplete. For example, in 1873-74 the club played 11 matches, but details have survived of only nine; in 1874-75, 13 games were played, of which only eleven were reported. It is doubtful that these figures can be improved unless some unpublished source (such as scorebooks) is discovered.

In the early years of Sydney cricket it was common for scores to be published without full bowling analyses. Where it is known from a published score that a bowler took wickets, but the full analysis is not available, those wickets are identified by the + symbol. For example, Tom Garrett's figures are 622 (545+77) wickets for 5891 runs, average 10.81.

This means that, in games for which the full analysis is known, he took 545 wickets for 5891 runs at an average of 10.81, but he also took 77 wickets for which no analysis is available.

As early as 1866, the University club fielded Second and Third Elevens. The scores of these matches were published so erratically and infrequently that it is not possible to compile meaningful records from them. All records listed below refer to matches played by the University 1st Eleven.

Challenge Cup

Between 1870 and 1878, the "senior" clubs in Sydney (Albert, Warwick, University, East Sydney and Newtown) competed for a Challenge Cup. University held the Challenge Cup in 1871-72 after defeating the holder, Warwick, by an innings and 98 runs. Albert won the Cup from University later in the same season.

Holdsworth-Gardyne Cup

The Holdsworth-Gardyne Cup was donated for competition between the senior Sydney cricket clubs in 1881-82. Sydney University won the Cup in 1882-83 and 1883-84. After successfully defending the Cup on three occasions, Sydney University became, under the competition rules, the permanent holder of the Cup.

SUCC Engages With Local Aboriginal Communities

SEASON 2019/20 SAW SUCC SUPPORT THE INAUGURAL RECONCILIATION ROUND.

This initiative was driven by Cricket Australia following development of their first Reconciliation Action plan.

All community and premier cricket clubs throughout Australia were encouraged to have a barefoot huddle and take a significant step in Acknowledging the Traditional custodians in local communities. SUCC welcomed this initiative and engaged with a local cultural performer Harry Whitting for this event. Barefoot Huddles took place when 2nd grade and 4th faced Campbelltown-Camden on Feb 1, 2020.

The Cadigal tribe of the Eora Nation are the traditional custodians of the area from Sydney Harbour down to Tempe and to some of the Eastern suburbs.

The Board of SUCC also set out to engage with local Aboriginal communities and took steps to get local kids in for some coaching.

Koori Kids Cricket started in February.

2 sessions held on Sundays in Feb & March saw us begin supporting local Aboriginal kids with some coaching in the Martin Lambert centre. The anticipated numbers were down slightly due to a biblical deluge in Feb and a developing pandemic in Mar. However the kids who did attend jumped at the opportunity in using the facilities and the coaches and walked away very impressed. Thanks to Cam Borgas, Chris Blake and ex SUCC player Ryan Bulger for the coaching. And credit to Phil Logan, ex 1st grade Captain John Grimble, ex player Tim Croft and local Aboriginal Dad, Ronald Prince, for helping develop this initiative. Support for this ongoing program is welcome and the Foundation would like to welcome any alumni to enquire about this through Phil Logan (pwlogan@optusnet.com.au) and Tim Croft (timothy.croft@health.nsw.gov.au).
